Independent study and materials

Independent language learning is suitable for those who want to learn a language on their own, as well as for those who take courses. If you wish to study Estonian independently and practice it with the help of a computer or a smart device, there are several possibilities. Here are some of them that you can use for free.

FOR THE BEGINNER

- **keeleklikk.ee** – an online Estonian language course for beginners, where you can study on the basis of both Russian and English.
- **speakly.me** – Estonian language learning program (instructions for entering integratsioon.ee/en/independent-study-and-materials).
- **50languages.com** – an application for educational games and tests.
- **www.eki.ee/dict/psv/pildilehed.pdf** – picture dictionary for beginners: words and pictures by topic.
- **mukimuri.net** – simple playful tasks for beginner language learners.

FOR ADVANCED LEARNER

- **keeletee.ee** – online Estonian language courses for beginners and advanced, interactive exercises, animation, video, tests.
- **multikey.app** – language practice application to help you find chat partners and practice your language online as well as directly.
- **walktalk.ee** – an application that helps you find expressions for certain situations and create your own dictionary.
- **k44nuk.ee** – a digital grammar game and a dictionary for learning Estonian at B1, B2 and higher levels.

OTHER STUDY MATERIALS

- www.sonaveeb.ee/learn – language study materials of the Institute of the Estonian Language by topics.
- keeleressursid.ee/alias – word explanation game “ALIAS”.
- cooljugator.com/ee – various verb forms.
- kutsekeel.ee – study materials with professional vocabulary.
- web.meis.ee/vaegnagijad – material compiled for language level A2, intended for the visually impaired language learners.
- web.meis.ee/vaegkuuljad – material “Stories of Pille and Lauri” compiled for language level A2, intended for the hearing impaired language learners.
- keeleabi.eki.ee – language advice by e-mail.
- **631 3731** – language advice phone, answered at 9 am - 12 pm and 1 pm - 5 pm on weekdays.

DICTIONARIES

- sonaveeb.ee – language portal: new words and phrases, explanations, example sentences, neighboring words, origin information, word translation and word games.
- keeleveeb.ee – a set of different dictionaries.
- filosoft.ee – dictionaries, speller, bisector.
- glosbe.com – an online dictionary with a wide choice of languages.
- tilde.ee – machine translation between several European languages, in 2022 Ukrainian was added.

LANGUAGE TESTS

- viktoriin.meis.ee/soeltest – a multiple-choice test of grammar and vocabulary lasting 15 minutes.
- keeleabi.eki.ee/?leht=11 – literacy tests.
- web.meis.ee/testest – Estonian language proficiency tests.

The advisors of Integratsioon Foundation will help you find the most suitable way to learn Estonian for free, taking into consideration the intensity of language-learning that fits you as well as your schedule. Advice is provided through phone calls, face-to-face meetings, or video meetings. You will receive assistance from professional advisors in English, Russian, or Estonian.

To register for counselling, please contact us by e-mail info@integratsiooniinfo.ee or free of charge by phone 800 9999 (when calling from abroad: +372 659 9025).
